

JERSEY SPORT

LEVEL TWO COVID-19 Guidance for Sport

Update
25/06/2020

Jersey's Safe Exit Framework Level 2

Guidance for Sports	
Introduction	<p>This guidance includes the following update related to sport and physical activity in Level 2 of Jersey's Safe Exit Framework, details below:</p> <ol style="list-style-type: none">Physical distancing is changed from 2m to 1m on 26 June. <p>All the remaining level 2 guidance remains in place including restricting indoor activity to moderate levels or below.</p> <p>These changes are in advance of Level 1 of the Safe Exit Framework which is expected to begin in early July.</p> <p>Level 1 guidance is being developed by the Government of Jersey and Jersey Sport who are exploring how to safely re-resume the aspects of sport and physical activity that currently are advised against on public health grounds. In particular, we are reviewing the current guidance and how indoor activity above moderate intensity might be safely resumed. We look forward to sharing the guidance for comment as soon as possible.</p> <p>At all times, please follow the Government of Jersey's health advice.</p>
Level 2 Guidance	
Physical Distancing for Sports	<p>You will perhaps have heard that the physical distancing requirement of 2m will be reduced to 1m on Friday 26 June as the Island continues through the COVID-19 Safe Exit Framework and the local rate of cases remains low.</p> <p>We would like to clarify that this reduction in minimum physical distance will apply to indoor and outdoor sport and activity. Stakeholders may feel that they wish to continue operating at greater physical distancing when considering their operating plans.</p>
Jersey Sport Contacts	<p>Please get in touch to discuss the issues surrounding COVID-19 for your sport:</p> <ul style="list-style-type: none">James Tilley, Head of Sport, Schools & Business, 757710Catriona McAllister, CEO, 757714Or, email: coronavirus@jerseysport.je
