Move More Physical Literacy Coach

Jersey Sport's Move More Physical Literacy and Schools programme aims to provide a high quality and quantity of sport and physical activity before school, after school and predominantly during Physical Education (PE) lessons within Government of Jersey Primary Schools.

Through the medium of physical literacy, this programme will aim to deliver holistic PE which will cover a diverse and engaging curriculum, in line with the National Curriculum for Physical Education (NCPE) to meet the needs of the school. This coach will be responsible for planning, alongside the schools PE lead, and delivering high quality physical literacy-based sessions, in accordance with the needs of the organisation and school. This individual will also be responsible for collecting data related to their delivery and the department's KPIs.

Outside of term time, the Move More Physical Literacy Coach will be a key figure in the organisation's delivery of our Holiday Community programme. Within this programme, the coach will be expected to deliver fun and engaging sessions across a range of sports as part of a wider delivery team. This programme may also present line management opportunities of the season staff for the successful coach.
