INTRODUCING MOVE MORE

**Welcome to the Move More Campaign
– your guide to getting active across Jersey.**

Moving more looks different for everyone. Whether it's trying a new sport, taking a walk with friends, joining a community class or simply finding more opportunities to be active as part of everyday life, every step counts.

Inside, you'll discover activities and programmes from organisations across the Island, along with Jersey Sport initiatives designed to help people of all ages and abilities become more active. You'll also find ideas to Move Your Way – simple, everyday ways to build more movement into your routine, wherever you are and whatever your starting point.

We hope this guide inspires you to discover something new, reconnect with an activity you love or take the first step towards a more active lifestyle.

Let's move more, together.

CHILDREN'S ACTIVITIES

There are so many opportunities for your child(ren) to be active and enjoy sport and physical activity in Jersey.

[More info](#)

Not every activity needs a team, a timetable or a membership. Discover simple ways to get active, build confidence and enjoy movement in a way that works for you.

WALKING & EXPLORING

Get active at your own pace and discover more of Jersey.

Walking is one of the simplest ways to move more and can be enjoyed almost anywhere. Whether it's a coastal route, countryside trail or a walk around your local area, it's a great way to build activity into your day.

Benefits:

- ✓ Improves fitness and heart health
- ✓ Supports mental wellbeing
- ✓ A simple activity for all ages and abilities

Get started: Find a route you enjoy and head out whenever it suits you — every step counts.

RUNNING

Set your own pace and enjoy the freedom of running.

Running is a flexible way to improve your fitness and challenge yourself. Whether you're taking your first steps with a walk-run approach or building towards a personal goal, you can progress at your own pace.

Benefits:

- ✓ Builds stamina and endurance
- ✓ Improves physical and mental wellbeing
- ✓ Helps you set and achieve personal goals

Get started: Start small, listen to your body and gradually build your distance.

SWIMMING

Enjoy the water while building strength and fitness.

Swimming is a fantastic full-body activity that can be enjoyed by people of all abilities. Whether you prefer a few lengths at the pool or a safe swim outdoors, it's a great way to keep moving.

Benefits:

- ✓ Improves cardiovascular fitness
- ✓ Builds strength and flexibility
- ✓ Low-impact and easy on the joints

Get started: Visit a local swimming pool or explore Jersey's swimming spots safely.

CYCLING

Explore Jersey on two wheels.

Cycling is a fun way to stay active, travel around the island and enjoy the outdoors. From gentle rides to longer adventures, you can choose a route and pace that works for you.

Benefits:

- ✓ Improves fitness and stamina
- ✓ A low-impact way to exercise
- ✓ A great way to explore new places

Get started: Grab your bike, plan a route and enjoy the ride.

FITNESS & STRENGTH TRAINING

Build strength and confidence wherever you are.

You don't need to be a gym regular to start building strength. Bodyweight exercises, simple routines and outdoor workouts can all help you become stronger and more active.

Benefits:

- ✓ Improves strength and mobility
- ✓ Supports everyday movement
- ✓ Helps build confidence

Get started: Try a short workout using your own bodyweight and build from there.

SKATE, SCOOT & ROLL

Have fun while getting active outdoors.

Whether it's skateboarding, roller skating, scooting or simply exploring on wheels, these activities are a great way to move more and develop confidence.

Benefits:

- ✓ Improves balance and coordination
- ✓ Builds fitness in a fun way
- ✓ Encourages outdoor activity

Get started: Find a safe space and enjoy moving in your own way.

HIKING & TRAIL WALKING

Challenge yourself with longer adventures outdoors.

Jersey's coastline and countryside offer fantastic opportunities to explore on foot. Trail walking is a great way to combine activity, adventure and time outdoors.

Benefits:

- ✓ Builds endurance and strength
- ✓ Supports mental wellbeing
- ✓ Connects you with nature

Get started: Choose a route that matches your ability and explore somewhere new.
